

Dear Michael Gentile,

Hello, I am emailing you the agenda for this week's meeting on Wednesday at 6:00 pm. We will meet in the basement of Benton as we have been. Here is the agenda for this week:

Agenda for Wednesday April 17th, 6:00 pm:

1. Present our first iteration retrospective
2. Present our unit tests for 2 classes
3. Iteration 1 Product
4. Show burn-down chart progress
5. Pick Iteration 2 user stories to be considered.
6. Questions

Here is a link to our deliverables for the week:

https://docs.google.com/document/d/18-7PBEOfcXsZdniNOit7nGBZDOB9XoLL9viXrt_Gnw/edit?usp=sharing

Additionally, I am including the agenda for our next meeting on Wednesday April 24th at 6:00pm

Agenda for Wednesday April 24th at 6:00pm:

1. Show progress on our product
2. Present our build script for our project
3. Demonstrate our version control system
4. Present a test for a feature we have yet to develop
5. Questions

Thank you for your time, and we will see you on Wednesday.

Sincerely,

Chris Santos
