Dear Michael Gentile,

Hello, I am emailing you the agenda for this week's meeting on Wednesday at 6:00 pm. We will meet in the basement of Benton again. Here is the agenda for this week:

Agenda for Wednesday April 10th, 6:00 pm:
1. Demonstrate our program
2. Show our UML use case diagram for an important class
3. Show our Sequence Diagram for that class
4. Present our requirement list with priorities
5. Show our tracked burndown chart
6. Show our GitHub repository
7. Any additional questions

Here is a link to our deliverables for the week:
https://docs.google.com/document/d/1pz3urduNAe_VSP4rrO2SVEGRzEyefaJ0LAMdm0fwmjg/edit?usp=sharing

Additionally, I am including the agenda for our next meeting on Wednesday April 10th at 6:00pm

Agenda for Wednesday April 17th at 6:00pm:
1. Present our first iteration retrospective
2. Present our unit tests for 2 classes
3. Iteration 1 Product
4. Show burn-down chart progress
5. Pick Iteration 2 user stories to be considered.
6. Questions

Thank you for your time, and we will see you on Wednesday.

Sincerely,

Chris Santos
